## 1.a) Overview of MiAK, What is MiAK?

- The ASSOCIATION FOR ACCREDITATION OF ARCHITECTURAL EDUCATION, or MiAK, was established as of **10.09.2019**.
- Having carried out its activities in cooperation with the Chamber of Architects of TMMOB under the name of "Architecture Accreditation Board" between **2006-2019**, it gained its independent structure under the umbrella of the Association as of 2019.
- MiAK's major goal is **to improve the quality of architectural education by accrediting, externally evaluating, and conducting briefing studies on architectural education programs.**
- MiAK aims to ensure the development of the architectural profession through education and to evaluate and improve architectural education through competency studies by collaborating with official institutions related to education and developing suggestions.
- MiAK aims to provide inclusivity and participation in the formation of its members, management staff, all boards and teams and/or in the realization of their activities, by providing wide representation of stakeholders such as educators, academicians, students, graduates, employers, and professional organizations.

## 1.b) MiAK's activities

- **Processes and conditions related to the accreditation of architectural education programs;** preparing, updating and publishing documents on institutional quality policy, visiting team guide, etc.
- **Evaluating and accrediting programs** upon the application of institutions providing architectural education,
- **Selection of evaluators to take part in accreditation studies** and to carry out their **training**,
- **To inform and train program administrators and faculty members** about program evaluation,
- **To ensure that program evaluation criteria are determined, and that evaluation criteria and processes are reviewed** and renewed when necessary, by constantly monitoring the current and future needs of the stakeholders of architectural programs.

## 2. MiAK's mission / vision

- **MiAK's Mission;** to be the leading institution in raising the quality of national architectural education. MiAK provides strategic inclusivity and participation in the formation of members, management staff, all boards and teams and/or in the realization of their activities, by providing wide representation of stakeholders such as educators, academics, students, graduates, employers, and professional organizations.
- **MiAK's Vision;** to contribute to the improvement of the quality of architectural education by carrying out accreditation, external quality evaluation and information studies for architectural education programs; To support the improvement of social welfare and the quality of the natural and built environment by increasing the quality of architectural services; To ensure the development of the architectural profession through education. It is defined as the evaluation of architectural education and improving it through competence studies by collaborating with official institutions related to education and developing suggestions.

## **General Assembly**

- The General Assembly is the most authoritative decision-making body of the MiAK and consists of the members registered with the MiAK.
- The Ordinary General Assembly convenes every two (2) years on the day, place and time to be determined by the Board of Directors.

## Board of Directors (Executive Board)

- The Board of Directors consists of **seven (7) original and seven (7) substitute members elected by the General Assembly** from among the members of the Association by secret ballot for a **period of two (2) years. Two (2) original and two (2) substitute members of these members are elected from among the candidates recommended by the Central Board of Directors of the Chamber of Architects of Union of Chambers of Turkish Engineers and Architects (TMMOB).**
- In the event of a **vacancy from the original memberships, the substitute members shall be called to duty in the order of the votes they received** in the election in the General Assembly; in the event of a vacancy from the original memberships proposed by the Chamber of Architects TMMOB, the priority of being called to duty is given to the substitute members proposed by the Chamber.
- The members of the **Board of Directors work on a voluntary basis**; Members of the Board of Directors cannot receive the right to rest for their work within the scope of their job descriptions or for the meetings of the Board of Directors they attend.
- However, the expenses incurred by the Members of the Board of Directors or other MiAK organs in order to carry out an activity assigned to the Association shall be covered from the budget of the Association by the decision of the Board of Directors.

## Duties and Powers of the Board of Directors

1. To carry out the necessary works and transactions in accordance with the provisions of the laws and charters, to take and implement the decisions.
2. To implement the decisions taken by the General Assembly.
3. To prepare the working period work program and budget, income-expenditure charts, to submit them to the approval of the General Assembly and to implement them.
4. To carry out the necessary examinations regarding the removal of the members who require removal from membership, to decide on the removal of real and legal persons from membership.
5. To determine the date, time, place and agenda of the General Assembly meetings and to announce them to the members.
6. To prepare the work report of the last working period and the balance sheet and income-expense charts and submit them to the General Assembly.
7. When deemed necessary, to carry out the studies on the amendment of the MiAK Charter and to submit it to the approval of the General Assembly.
8. In order to carry out the accreditation activities of MiAK, to establish committees and working groups, especially the Quality Assessment Unit (KDB), when necessary, to ensure that these committees work, to examine and distribute the working documents, reports and decisions prepared by these units, to inform and/or publish the relevant persons.
9. To establish the General Secretariat and economic enterprise units that will carry out the administrative and financial affairs of MiAK and to ensure their operation, to appoint personnel and consultants, to determine the remuneration to be paid to them and to terminate their employment when necessary.
10. To plan and implement the collaborations to be made with national and international organizations in accordance with the objectives of MiAK-MAK (Architectural Accreditation Board) together with MiAK.
11. To participate in MiAK-MAK meetings through the Chairman or a Member of the Board of Directors to be appointed,
12. To represent MiAK-MAK when necessary through the Chairman of the Board of Directors,
13. To decide on the appeals related to the procedures of the MiAK organs.
14. To propose to the General Assembly the establishment of sub-committees for the accreditation of other design disciplines upon request.

## Auditing Board

- The **Auditing Board consists of three (3) original and three (3) substitute members elected by the General Assembly** by secret ballot for a period of two years.
- The **Auditing Board convenes at least two (2) times a year.**
- A member who is absent from three consecutive meetings without an apology shall be deemed to have withdrawn.
- In the event of a **vacancy from the original memberships, the substitute members shall be called to duty according to the order of votes they received in the election in the General Assembly.**
- The Auditing Board elects its Chairman at its first meeting and notifies the Board of Directors of this in writing.
- The duties and powers of the Auditing Board are listed below:
  - To **audit whether MiAK operates in line with the objectives set forth in its charter and the work subjects specified to be carried out for the realization of these objectives, whether the books, accounts, and records are kept in accordance with the legislation, at least once a year and to transmit the results of the audit to the Board of Directors in the form of a written report,**
  - To participate in the meetings of the Board of Directors without the right to vote when deemed necessary or called, to share their opinions and thoughts,
  - To submit the results of the audit to the General Assembly in the form of a co-signed report.

## Architectural Accreditation Board (MiAK-MAK)

- **MiAK-MAK carries out the necessary studies for the evaluation and accreditation of Architecture Programs.** "MiAK-MAK" is used as a short name.
- **Members of MiAK-MAK, who is responsible for determining the accreditation conditions of architectural education and carrying out the evaluation processes,** are determined among the **faculty members of architecture departments with at least 15 years of experience and architects with at least 15 years of experience.**
- **MiAK-MAK; consists of seven (7) members. 5 members are elected** at the meetings of the **Architecture Schools Department Heads Communication Group (MOBBİG)** among the candidates suggested by the Department Heads of the Schools of Architecture. The other **two members are determined among the names suggested by the TMMOB Chamber of Architects Central Board of Directors.** The **term of office** of MiAK-MAK members is **two years.**
- **MiAK-MAK members elect a President and a Vice-President** among themselves. President; She/he is responsible for representing the Architectural Accreditation Board, calling an extraordinary meeting when deemed necessary, ensuring that the Board works regularly, harmoniously, and in accordance with the law, and ensuring coordination between MiAK-MAK and the Board of Directors of the Association. In the absence of the President, the Vice President carries out the Board management on behalf of the President. They meet at least 4 times a year. MiAK-MAK meets by absolute majority and decides by the majority of those attending.

#### **4. Ethical Issues / Transparency / Conflict of Interest / Revenues**

##### **Internal Audit of the Association**

In MiAK, internal audits can be carried out by the General Assembly, the Board of Directors, or the Auditing Board, as well as independent audit institutions can be audited. The fact that an audit has been carried out by the General Assembly, the Board of Directors, or independent audit institutions does not relieve the Auditing Board of its obligations.

##### **Conflict and/or Clash of Interest**

Those who serve as members of MiAK-YK, the Auditing Board, the board, and the commission are obliged to comply with the MiAK code of ethics regarding situations that may lead to conflicts of interest and/or clashes of interest regarding the questioning of the impartiality and reputation of the evaluation process, and all individuals who will represent MiAK sign a "Statement of Confidentiality and Ethics" stating that they will not cause situations that may create a conflict of interest and that they have read and understood these principles.

##### **Transparency and Accountability**

MiAK has the responsibility to inform and hold accountable all stakeholders and the public about program evaluation and accreditation activities. For this purpose, the following information and documents are published on the official website:

- a. Charters, regulations, and guidelines that determine the objectives and functioning of the MiAK and the boards,
- b. National standards used for evaluation and accreditation,
- c. Self-assessment report format, evaluation process and method, and similar documents for higher education institutions that will apply to MiAK for program evaluation and accreditation, clearly defining the evaluation and accreditation process and scope,
- d. Working reports summarizing MiAK's work, including its evaluation and accreditation activities,
- e. List of programs accredited by MiAK and accreditation information.

ASSOCIATION FOR ACCREDITATION OF ARCHITECTURAL EDUCATION (MiAK) CODE OF ETHICS  
DOCUMENT (2021)  
(15.02.2021 MiAK Board of Directors decision)

Persons working in the activities of the Association for Accreditation of Architectural Education (MiAK) and in MiAK, together with the general ethical rules, are expected to behave ethically in accordance with the rules specified in this document (To be used as a member of MiAK boards, visiting team chairman, visiting team member, student observer, institution observer, MiAK observer, MiAK volunteer, or MiAK employee).

These people work with high standards of professionalism, honesty, and integrity. In the activities carried out within MiAK, it is essential to act within the framework of impartiality, honesty, and equality.

Everyone who carries out MiAK activities is expected to perform their duties in ethical behavior. The purpose of this document is to describe in detail the ethical rules related to MiAK activities. Members of MiAK boards, MiAK employees, and visiting team members sign the "MiAK Confidentiality and Code of Ethics Statement" at the end of this document in accordance with Articles 24, 25, and 26 of the Charter of the ASSOCIATION FOR ACCREDITATION OF ARCHITECTURAL EDUCATION (MiAK).

**MiAK's revenue sources are listed below:**

- Entrance fee to be received from private and legal entity members and annual dues to be determined at the General Assembly,
- Donations (donations to be made in the form of goods and money for the realization of MiAK objectives),
- Revenue from deposit interest, repo, treasury bills, and similar securities,
- Revenue such as rent etc. to be obtained from movable and immovable assets,
- Revenues from courses, seminars, education, program evaluation, program accreditation, publications, etc., and other MiAK activities,
- Earnings from economic, commercial, and industrial enterprises that MiAK establishes, operates, and partners in order to provide the revenue it needs to achieve its objectives.
- Other revenue as permitted by applicable law.
